## **Professional Experience**

### **Pediatric Cardiologist**

**HeartCare Children's Hospital, Miami, FL 33101**

**June 2056 - Present**

- Provided comprehensive care to over **200** pediatric patients with congenital and acquired heart conditions.
- Performed diagnostic tests, including echocardiograms, cardiac MRI, and stress tests, collaborating on tailored treatment plans with multidisciplinary teams.
- Educated patients and families on heart health, medications, and post-operative care, enhancing adherence to treatment protocols.
- Conducted research in pediatric cardiology, contributing to **3** published studies on heart disease outcomes in children.

### **Pediatrician**

**Miami Children's Health Center, Miami, FL 33101**

**July 2051 - May 2056**

- Provided primary care for over **1,500** infants, children, and adolescents, ensuring a holistic approach to their health needs.
- Conducted well-child visits, vaccinations, and screenings, achieving a **95%** compliance rate for childhood immunizations.
- Diagnosed and managed pediatric illnesses, focusing on preventive care and chronic disease management.
- Counseled parents on child health and wellness, implementing educational workshops that improved community health awareness.

---

## **Skills**

- Excellent clinical judgment and decision-making abilities.
- Strong communication and interpersonal skills, fostering collaborative relationships with patients and families.
- Proficient in electronic medical records (EMR) systems, including **Epic** and **Cerner**.
- Ability to work effectively in a fast-paced and high-pressure environment, maintaining composure under stress.

- Commitment to patient-centered care and continuous professional development, regularly attending workshops and seminars to enhance clinical skills.
-
